Traffic stop with vehicle due to exhaust pipe extending significantly past rear bumper. Driver refused to identify himself after many requests. Booked into the jail for obstructing. Once at jail he continued to refuse to identify himself. His communications were consistent with a "sovereign citizen's" tactics/verbiage. I believe the subject to be Caleb Grant as he had many cards in the wallet on his person with that name. He will receive traffic violations also for OWL, exhaust violation.
